# GRIGG™ KELPLEX™

## 1-2-2

GRIGG™ Kelplex™ contains seaweed extract (*Ascophyllum nodosum*) in a foliar form and is an excellent component of a summer stress management program.

### Kelplex Advantages

- Foliar seaweed extract (*Ascophyllum nodosum*).
- Contains enzymatic and non-enzymatic antioxidants, limiting oxidative stress.
- Supplement to existing foliar and granular fertilizer program.
- Improves heat, drought, salinity stress tolerance.
- Maximizes seashore paspalum (*Paspalum vaginatum*) recovery from mechanical and environmental stress.
- Increase primary plant metabolism including photosynthesis.
- Protects cellular membranes.
- Encourages efficient and healthy turfgrass physiology.

### Application and Use

#### Turfgrass:

Apply 1-2 fl oz per 1000 sq ft (3-6 L/Ha) sequentially every 14 days prior to the onset of stress.
