NUTRITION PROGRAM

ROCKY MOUNTAIN REGION

Nutrition Program

Any program can be adjusted to your specific needs, and your micro climate.

Include Markit™ spray pattern indicator to each tank load at 16-32 oz per 100 gallons of mix (125-250 ml / 100 Litres)

All foliar rates below are expressed as Fluid Ounces Per 1,000 ft² with Liters per Hectare (L / Ha) equivalents unless otherwise noted.

All GreenSpec granular rates are expressed in lbs per 1,000 ft² with grams per meter squared.
