| Magnesium (Mg) .....                     | 3.0% |
| Derived from tea seed meal and dolomite. |      |

No Phosphate Fertilizer

F76

**RATE RECOMMENDATIONS FOR PROFESSIONAL USE ONLY**

To prevent or correct nutrient deficiencies, GRIGG RHIZO AIDE can be used on all soil types. Best to apply after aeration or similar mechanical treatment. Can be used year round, but applications from fall through spring provide optimal results.

**Soil Applications:** Use any conventional spreading equipment.

**Tees, Greens, Fairways, Sports Fields:** Initial application of 6 lb per 1000 sq ft [268 lb per acre; 300 kg per hectare]. Additional applications of 3-6 lb per 1000 sq ft [134-268 lb per acre; 150-300 kg per hectare] may be made at 4 week intervals. Light irrigation after application is recommended for best results. Do not apply during frost conditions.

Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendation.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden. Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the bag.

**DANGER:** May cause respiratory irritation. May cause cancer.

**Precautionary Statements:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear eye/face protection and protective gloves/clothing. Avoid breathing mist or vapor. Use only outdoors or in a well-ventilated area. **First Aid:** If inhaled, remove person to fresh air and keep comfortable for breathing. If exposed or concerned, get medical attention. Call a doctor if you feel unwell. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store in a locked, well-ventilated place. Keep container tightly closed. Dispose of contents/container in accordance with local authority requirements.

**WARNING:** Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

**LIMITED WARRANTY:** Brandt Consolidated, Inc. ("BCI") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. BCI and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, BCI and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
